## PAYING &amp; UNDERSTANDING YOUR BILL

**How to pay your bill**

You can mail your payment, pay electronically through our Automatic Payment Service, or pay at one of the Authorized Payment Locations. When mailing your payment, write the amount paid in the boxes on the remittance stub. Also, write your area code and telephone number on your check. Enclose your check and remittance stub in the return envelope and mail to:

**In Northern California:** Pacific Bell, Payment Center, Sacramento, CA 95887-0001

**In Southern California:** Pacific Bell, Payment Center, Van Nuys, CA 91388-0001

**Billing for other than basic telephone service**

Pacific Bell bills for other telephone service providers including long distance companies, and information service providers. There is no connection between Pacific Bell and these companies.

If you dispute any 976, 900 or 700 Information Service Charge, you may be entitled to a credit. You must request this credit by calling or writing Pacific Bell within 60 days from receipt of the bill. Pending review, you may withhold payment of the disputed amount and collection of those charges will be suspended. You have a right not to be billed for interstate 900 calls which violate federal law. You may request blocking of 900 and 976 services. You may be blocked from calling 900 calls for failure to pay legitimate 900 call charges and the Information Provider may seek collection of these charges. Your basic service will not be disconnected for non-payment of 900 and 976 charges or other information services, such as voice mail, electronic mail, voice store and forward, fax store and forward, directory advertising and inside wire installation that may be included in the "Total Due." Please call the number on your bill if you have any questions about your charges.

**Call type and rate information**

The codes that appear in the "Type" and "Rate" columns describe your calls. The Type column describes the type of call, the "Rate" column describes the rate period for the call.

**When to pay your bill**

Your payment is due when you receive your bill. If we don't receive payment for your local and long distance charges by the "DUE BY" Date, your account will become past due. If we disconnect your service for non-payment, you must pay the past due amount and a charge to reconnect your service. You may also be required to pay a deposit.

**Late payment charge**

If we do not receive your payment by the date shown in the "Late Payment Charge Reminder" section, we will add a late payment charge of:

**Exchange Services** - 1.5%, calculated monthly, of your total unpaid balance when the unpaid balance is \$20.00 or more

**Dedicated Services** - 1.5% per month, calculated daily, of your total unpaid balance

The late payment charge is a penalty charge and does not relieve you of the obligation to pay the total amount due by the "DUE BY" date. The late payment date will be at least 22 days from the date of mailing.

**Questions about your bill**

If you have questions about your bill, please call us at the number shown on your bill or write to us at P.O. Box 9039, South San Francisco, CA 94083-9039 for residence accounts and P.O. Box 78230, San Francisco, CA 94107-8230 for business accounts. If you are not satisfied after receiving an explanation, ask to speak with a manager. Pacific Bell will investigate and notify you with the results.

**If you still disagree:**

- You first must pay the undisputed amount to Pacific Bell by the "DUE BY" Date, and
- You must file a claim with the California Public Utilities Commission (CPUC) within 7 calendar days after we have notified you of the results of our investigation. This will avoid possible interruption of your service.

**To file a claim with the CPUC:**

- You must send an explanation of your claim and a check for the disputed amount to the CPUC, to be held as a deposit.
- The CPUC only accepts deposits for matters which relate to the accuracy of the bill. This does not include directory advertising.
- The CPUC will review your claim and distribute funds, based on its investigation.

**CPUC ADDRESS:** Consumer Affairs Branch, 505 Van Ness Avenue, San Francisco, CA 94102. Telephone number 1-800-649-7570.

**Network Access for Interstate Calling**

If you have questions about charges for "Network Access for Interstate Calling," imposed by the Federal Communications Commission, or charges for calls to another state that you are unable to resolve with your long distance carrier, you should write to: Consumer Complaints - Enforcement Division, Common Carrier Bureau, Federal Communications Commission, 445 12th St. S.W., Washington, D.C. 20554; or call: 1-888-CALLFCC.
